No 135 Dated 9th December 1905

Subject.

Further advance of Rupees 10,000/- to the Chief Commandant Mysore State Troops for purchase of remounts.

I submit for your orders the Chief Commandant's letter No 1515 of the 7th instant, intimating that he is proceeding to Calcutta shortly for the purchase of Remounts and requesting an early sanction to an advance of Rs 10,000/-

I should note that His Highness has sanctioned 2500/- for the polo team expenses and that His Highness's approval to Col. Desaraj Urs being a member of the team would I think be sufficient to justify his proceeding on duty.

I do not think that it is advisable to purchase remounts at a distance when the Madras market is so close.

The Chief Commandant received an advance of Rs 10,000/- in September for purchase of Remounts when he went to Poona and I fancy has bought no horses as no accounts have been received

Rail charges &c of Remounts and ponies purchased for the Imperial service Regiment &c.,

---

I submit for orders Chief Commandant's letter No 2681 dated 26th April 1906 forwarding a bill on the Mule Chanda Fund for Rs 28/-, being balance of rail charges &c, for the carriage of 4 polo ponies purchased at Madras and intimating that the Comptroller has disallowed this amount on the ground that the price of each pony should not exceed Rs 500/- as per Government order (herewith put up).

I propose with your approval asking the Comptroller to admit the expenditure as a special case.

I do not think it is possible to purchase a good polo pony at less than Rs 500/- .

May I write to the Comptroller & say that the price of Rs 500/- is exclusive of rail charges which must vary with the place at which the ponies are bought.
